Acting Director

December 12, 2002

Dear Underground Storage Tank (UST) State Assurance Fund (SAF) Participant:

Enclosed is a copy of the 2003 Schedule of Corrective Action Costs (Cost Ceilings) as prescribed by A.R.S. § 49-1054(C). The schedule identifies allowable costs of corrective action services for which payment may be made from the UST SAF Program. The 2003 Cost Ceilings become effective on December 15, 2002 and will remain in effect until superseded by an updated version.

The 2003 Cost Ceilings are, as in past, Task Based and Unit Based. Cost Ceiling Item descriptions have been revised to those in the 2000 Cost Ceilings document. This version has been updated to include "cost of living" increases from the 2002 amounts using the factor determined in accordance with A.R.S. § 49-1054(C).

Some Cost Ceiling Item amounts and descriptions have been eliminated where no longer appropriate or functional. New Cost Ceiling Item Numbers have been assigned to reports submitted under the new UST Release Reporting and Corrective Action rule. Please review the introduction and descriptions carefully before applying the 2003 Cost Ceilings.

If you have any questions concerning these 2003 Cost Ceilings, please call Ms. Tara Rosie at (602) 771-4837, or toll free (from within Arizona) (800) 234-5677, extension 4837.

Sincerely,

Robert Rocha
State Assurance Fund Administrator
